### OBS:

- (**) A partir de janeiro de 2011, o custo nacional do SINAPI e os custos relativos às Regiões são calculados com uma nova estrutura de ponderação (número de domicílios com banheiro da PNAD 2009 em relação à PNAD 2004). Por isso, não devem ser comparados com os resultados anteriores que foram obtidos com outra estrutura de ponderação (crescimento populacional resultante do Censo Demográfico).
